Re: In the Matter of Pacific Networks Corp. and ComNet (USA) LLC
GN Docket No. 20-111; File Nos. ITC-214-20090105-00006; ITC-214-20090424-00199

Dear Mr. Carlisle:

By this letter, we grant in part Pacific Networks Corp. (Pacific Networks) and ComNet (USA) LLC's (ComNet) request for an extension of time for their response to the Order to Show Cause (Order) to June 1, 2020.¹

On April 24, 2020, the International Bureau, Wireline Competition Bureau, and Enforcement Bureau (the Bureaus) issued an Order directing Pacific Networks and ComNet to file a response to the Order within thirty (30) calendar days demonstrating why the Commission should not initiate a proceeding to revoke their domestic and international section 214 authorizations issued pursuant to section 214 of the Communications Act of 1934, as amended, and to explain why the Commission should not reclaim ComNet's International Signaling Point Codes.² The Order also directed Pacific Networks and ComNet to respond to certain questions concerning their ownership, operations, and other related matters.³ On May 18, 2020, Pacific Networks and ComNet, by their counsel, filed a motion for an extension of the time for their response to the Order to June 8, 2020.⁴

Pursuant to sections 0.51 and 0.261 of the Commission's rules, we grant an extension to **June 1, 2020**.
